“Our board of directors is comprised of professionals from a wide range of fields whose experience, subject matter knowledge, and networks, all help guide the direction of our agency,” said Jan Harada, president and CEO of Helping Hands Hawaii. “These amazing volunteer leaders are committed to helping us serve the most vulnerable individuals and families in Hawaii and we are very grateful for the time they spend furthering our mission.”

About Helping Hands Hawaii

Helping Hands Hawaii (HHH) was founded in 1974 and connects individuals, families and organizations with essential human and material resources. Through a variety of programs, it provides a full continuum of care and helps people overcome obstacles, like homelessness, mental illness, substance use and language access. Strong partnerships with local social service providers and innovative approaches strengthen the community by helping people to help themselves.
